Non-Rider
West Virginia
Inducted 1983

Mildred G. Bowman of Moorefield, West Virginia, became affiliated with the South Branch Riders in 1948 and for a period of 35 years has given them faithful support where it counts most – in attending to the dozens of details involved with conducting successful tournaments. This includes crocheting the ring coverings, keeping them clean, and tabulating scores during the jousts.

The success of events sponsored by the South Branch Riders has in no small part been due to the loyal and consistent support of this lady.
