

Carl Casady

Knight of Little Dawn

Mt. Solon, VA

Inducted 1994

Carl Casady rode under his daughter's middle name. Carl started riding in 1973. He helped form the Natural Chimney's Jousting Club in 1978. He was President and Vice President for many years. Carl was always there when there was work to be done on the track. After a flood at Natural Chimneys Regional Park, he put all his spare time into repairing the track. Carl got his daughter and son involved in jousting and he taught them everything he knew. Carl never hesitated in teaching others to ride.

Carl won enough Semi-Professional classes to move to the Professional class in 1984. His dream was to become the best joustier. Carl never got to make that dream come true, he passed away in November 1992. Carl leaves behind his daughter and son to carry on his dream. He will be missed by all.
