

PAUL A. FLEURY

BRADSHAW, MARYLAND

Mr. Paul A. Fleury had been associated with jousting at least 75 years. During his riding years, there were no former jousting organizations, but he did support the Maryland Jousting Tournament Association and the Amateur Jousting Club after they were organized, although he had retired from riding before their formation.

Mr. Fleury contributed greatly to jousting through his enthusiasm for teaching others the sport. He taught his children and was responsible for teaching George and Mary Lou Bartram to joust.

Paul A. Fleury contributed immensely to the sport through his inspiration and encouragement of young riders.
