

Zula Reeves Casady
Non-Rider
Natural Chimneys, Virginia

Zula Reeves Casady was born on July 20, 1923 in Mt. Solon, Virginia to Madison and Ruth Reeves. She is the widow of Norman E. Casady. They had five children. Her mother worked for the Browns, the former owners of Natural Chimneys. The first tournament she can remember attending was held on her grandfather's land, which is now part of the Natural Chimney's Park. The park purchased the land from her grandfather.

She has attended every tournament held at the Chimneys except for only two that she can remember. She can be found at the tournaments at the cake wheel. She has helped with fundraising and the promotion of the August Natural Chimneys Joust since the Club was founded. She has been a member of the Natural Chimney Jousting Club from the very start. From baking her homemade cakes, to selling drinks and ice cream, she has helped the club continue to be able to hold a successful tournament in August.

She has helped promote the sport of Jousting by her fundraising efforts and her support of her family members who joust. She has two sons who are in the Hall of Fame, Carl who is deceased and Dickie. She has numerous grandchildren and great grandchildren who ride. The youngest of which is five years old. The Natural Chimneys Jousting club is honored and thankful to have Zula in its club. She is our biggest supporter and our biggest cheerleader.
