

## Robert B. "Bob" Enfield

Knight of Sir Lancelot  
Frederick County, Maryland  
Inducted 1989

Jousting is a sport often referred to as a "Family Sport" and nowhere else is that phrase more applicable than in the Enfield family. Robert B. Enfield or "Bob" to those who know him, truly earned his knighthood early. When much too young to ride a horse, Bob often served as a page or ring carrier at tournaments his parents were riding in. Then in 1968 he participated in his first tournament. He even placed 4th that year in Novice in the very first National Championship of 1968. From there it was all uphill. Bob has been continually jousting since 1968 and has always been ·In the Ribbons· with numerous state, National, and local wins.

With always a winning smile and words of encouragement for others, Bob Enfield exemplifies the term of good sportsmanship. In addition to his numerous wins, Bob has jousted as a medieval knight for exhibitions, served on WMJC and MJTA committees and helped sponsor many, many tournaments.

In 1983, 84, 85, 86, and 1987, Bob had the Honor of Placing second in the Maryland State Championship Joust. Then, finally in 1988, his luck changed and he became the first-second generation jouster to bring home the Frederick County, Maryland the honor of Maryland State Jousting Champion as his father before him did.

Bob is a successful dairy farmer in Knoxville, Maryland and looks forward to many, many more years of competitive jousting. We are proud to include Robert B. Enfield among our finest in the National Hall of Fame.
